Serial No. 1

Letter no. 399 dated the 19th August 19 from the Superintendent, Govt. Garden requesting to be informed how the question of the responsibility of maintaining the garden and the King Emperor Statue has been settled.

It is seen from file no. D.D1 24-21-688 that the question of laying the Statue Grounds was under the consideration of the Station authorities. The Secretariat file in which the question dealt with is not available and it ascertained that the whole file was transferred to the Public works Secrett. This may perhaps be referred to the P.W.D. Secrett. for favour of furnishing the information required by the Superr Govt. Gardens. In person, Office reports this to DPW. 16.25.8.26.

3 The file referred to by the Confidential Reference in the margin (Cb. 236-22, 1-a) is subsequent to the one in respect of which information is required by the Surveyor Gen. Gardens. From the file noting, it will be seen that the erection of balustrading round the King Edward Statue was undertaken by the City Station authorities and it is therefore presumed that the responsibility of maintaining the Edward Statue grounds rests with the City Station authorities. The Surveyor reports that the grounds are in a very untidy condition and wants to know with whom the responsibility

This is a matter of fact & any ascertainment of the Station is within the City limits we should like it as included in the Calcutta Park and maintain it thereby and the fact that apart from subscriptions we have made the bulk of the subscriptions there is every likelihood of the responsibility for maintenance being thrown upon us. We will kindly study the question & write a the following points

(17) This file relates to the question of who should be responsible for maintaining the garden round the King Edward Statue as to which the Gardens Department have been asking for instructions for some time. In this matter the Committee of the King Edward Memorial have decided that the Superintendent, Government Gardens may be in charge and the Residency have approved of the arrangement. Incidentally here the question was previously raised as to whose the Statue site was and if ours, on what conditions it was given. I got all the connected files from the G.R.S. Records and the Public Works Secretariat but could find no reference to any conditions of transfer nor even to any ~~definite~~ specification of the ~~areas~~ portions of the site belonging to the Civil and Military Station or the City. The whole thing seems to have been settled by personal discussion between the Residency and the Dewan and the Engineers of the Station and the State. The site is not entirely within City limits as it appears that the boundary line cuts it. It is ~~therefore~~ partly in the Station limits and partly in the City. As the main question as to who should be in charge of the grounds round the statue has been settled and the Development

Copy of the D.O.No.3730/PP. dated 30th December 1921 from Mr. K. Matthan, Chief Secy. to Govt. of Mysore, Bangalore addressed to Mr.G.H.Krumbiegel, Supt. Govt. Gardens, Lal-Bagh, Bangalore.

Dear Mr. Krumbiegel,

With reference to your letter No.1317 of the 22nd instant on the subject of the responsibility for laying out and maintenance of the garden and statue of King Edward VII, I am desired to state that the whole question is under the consideration of Government in consultation with the ---- Residency and it may take some time for settlement. Meantime arrangements may be made in consultation with the Civil and Military Station authorities to keep the surroundings clean on the occasion of the Royal visit. It is understood that the Collector of the Civil and Military Station is issuing tickets for people to witness the procession from the --- King's Statue. Probably no special arrangements would therefore be necessary.

Yours sincerely,

Sd/ K. Matthan.
